**FURTHER GAINS INVITE SELLING**

Fresh Advances on Stock Lists This Morning Results in Unlending by Profit Takers.

New York, Sept. 26.—Gains of the first half hour today invited fresh selling which soon wiped out most advances and leaving some leading issues under yesterday's minimums. Steel was again the storm center, declining to 113 3/4, 6 1/4 points under its maximum and 1 1/2 under yesterday's close.

Other leaders seemed to be singled out for pressure because of the effect upon the balance of the list. Trading was extensive, dealings in steel overshadowing all others. Marines developed sudden activity and strength and seemed to affect more or less general reaction at midday. Bonds were steady.

After an Uncertain Start Quotations Attain Bullish Attitude and Score Slight Gains.

Chicago, Sept. 26.—Wheat prices developed fresh strength today after an uncertain start. Opening prices, which ranged from 1/2c decline to 3/4c advance, with December at 1.54 1/2, to 1.55 1/2, and May at 1.54 1/2, to 1.55 1/2, were followed by substantial gains all around.

For a while, reports of excessive rains interfering with threshers in Canada had a bullish effect but an increase of the world supply total led to a decided reaction. The close was heavy 3/4c to 1c net lower with December at 1.54 1/2, and May 1.54 1/2.

Corn was steadied by the strength of wheat. After opening unchanged to 1/4c lower, the market sagged a little further but soon recovered.

Another down turn when wheat showed weakness. The close was unsettled at the same as yesterday's finish to 1/4c lower.

Oats were easy on account of large speculative sales. Nevertheless, declines were only slight. Realizing by holders tended to weaken provisions. Depression in the hog market was a factor.

**SOLDIERS TO VOTE ON 8 FOOT BALLOT**

Albany, N. Y., Sept. 26.—New York state soldiers on the Mexican border will use an eight foot ballot on election day, according to Secretary of State Hugo. It will be the longest ever used in a combined national and state election and the first "war ballot" since 1898 when American soldiers were on Cuban soil. Each headquarters company is to be a polling place for the men of that company.
